The purpose of the field trip is: Leadership Training Conference – CADCA Youth Leadership Initiative empowers over 1,200 youth yearly across the U.S. and abroad to fight drug use and other problems plaguing their communities. We inspire groups of passionate 13–20-year-olds, who are eager to analyze and influence their communities in a positive way, and develop students as together we create social change when thinking about community issues facing our youth, especially substance misuse! Up to twelve (12) students will be selected to attend this training in Washington DC. This selection will be done in December and students will be notified by Dec 21 if they have been selected for the trip. Students selected will be required to attend a pretrip meeting in January 2023.

Cost: NONE (Funded by a DFC Grant) (check, money order, or cash)

Checks should be made payable to: Austin Public Schools.
